

PLANS ALL READY FOR TOLEDO HEAD CAMP OF SOCIETY

Modern Woodmen Leaders Return From Ohio City After Making Arrangements.

RAIL RATES TO BE ASKED

Possibility of War With Mexico Affecting Attendance of Foresters Is Considered.

Final arrangements, including the adoption of a program, seating of the convention hall and securing of hotel accommodations, were made at Toledo this week for the coming head camp Modern Woodmen of America to open there June 15.

F. O. VanGelder, editor of the Modern Woodman; A. R. Talbot, head consul and R. R. Ray, Mr. Talbot's secretary, have returned from Toledo, where they attended a meeting of the general arrangements committee.

Railroads will be asked to offer rates into the Ohio city, which has a reputation as a tourist point. Tourists will experience no difficulty in getting a 10 days' stopover. At present the rate to Toledo and return from Rock Island is \$18.

"For a city of Toledo's size I never saw better hotels," said Mr. VanGelder today. The administration forces have taken headquarters at the Secor. Toledo is a city of 200,000 and is easily accessible by water or rail.

War May Affect Attendance.

Just what effect the Mexican conflict will have on the attendance at the head camp is problematical. The head of the uniform rank of Foresters recently volunteered the organization's services to the country in case of armed hostilities of a serious nature. In years heretofore the drills of the Foresters at the Woodmen camp have been a feature. United States army officers have always attended the camp and judged the drills. This year these officers will probably be away on call of their country.

It is also possible that the war may serve to increase the number of members at the head camp. Renewed interest is being taken in the uniform rank, many men having taken up military drills in preparation for war. In case these men are not called out before then they may attend the head camp in increased numbers.

DONATES TO OLYMPIC FUND

Paris Newspaper Proprietor Gives \$100,000 for French Team.

Paris, April 25.—Basil Zaharoff, principal proprietor of the newspaper Excelsior, yesterday gave \$100,000 to the French national committee on sports, to cover expense of training athletes to compete as representatives of France at the Olympic games in Berlin in 1916.

Mr. Phillips had Stomach Trouble for More than Five Years.

Mr. W. R. Phillips, Jr., 129 Moreland Ave., Atlanta, Georgia, writes: "I had the catarrh and stomach trouble for more than five years, and I faithfully tried all the medicines I saw advertised, and found they all failed to cure me. I then heard of Peruna. I purchased six bottles, and after their use I soon discovered that I was well, safe and sound. I now weigh two hundred and ten pounds, and have never been sick since I took Peruna. It surely is the best medicine for cold, stomach trouble and catarrh that I ever heard of."

Our files abound with testimonials of people who have been the victims of stomach trouble. Peruna seems to be peculiarly adapted to these cases. In no class of human ailments are our testimonials more enthusiastic and numerous than in cases of stomach ailments. Some of these are slight, giving rise to ordinary indigestion. Others are serious, reducing the patient to almost a skeleton. Peruna, because of its tonic laxative qualities, seems to be specifically adapted to catarrh of the stomach and similar ailments.

Those who object to liquid medicine can now procure Peruna Tablets.—(Adv.)

GOLF INSTRUCTOR 3 YEARS HERE DEAD

Alex Robertson.

Word has been received here of the death of Alex Robertson, for three years golf instructor for the Rock Island Arsenal club, who left last fall to take a similar position with the Winnetka club near Chicago. He succumbed to pneumonia at Lake View hospital and his funeral was held yesterday. He leaves a brother in Chicago.

"The death of Mr. Robertson has caused much sorrow among members of the club," said Colonel G. W. Burr, commandant at the arsenal, today. "He was a clean cut young man, straight as a string, without a serious fault or a bad habit and was a magnificent golf player, besides."

MOTION FOR NEW TRIAL IS DENIED

Case of Carl Muentner vs. Moline Plow Company Will Go to Appellate Court.

Yesterday afternoon in circuit court Judge R. W. Olmsted overruled a motion for a new trial in the case of Carl Muentner vs. Moline Plow company. An appeal was prayed to the appellate court. Muentner was given judgment for \$5,635.85 by a jury in circuit court recently, for injuries which Muentner claims he received while working for the defendant company.

The case has been tried three times in circuit court, the first jury finding damages due Muentner to the extent of \$5,000. Judge Graves set the verdict aside. In the second instance, a verdict of \$5,559 was returned and the case taken to the appellate court, where the decision was reversed and remanded. It is intimated that the case will again go to the appellate court. The case hinges on the question of contributory negligence on the part of the plaintiff, Andrew Olson and J. T. and S. R. Kenworthy are attorneys for Muentner and Seawell & Marshall for the defendant company.

HUSBANDS DRINK; DIVORCES FILED

Wives Want to Be Freed From Helpmates Who Overindulge in Flowing Bowl.

Mrs. Hulder Saline has brought suit for divorce against her husband, Oscar Saline. The couple were married Nov. 1, 1906, at Alexandria, Minn. Cruelty and drunkenness are charged. The custody of three children is asked. W. C. Allen is the attorney.

On charges of non-support and intoxication, Mrs. Julia De Villegere is seeking a divorce from her husband, Julius De Villegere. The marriage was performed Oct. 2, 1900, at Moldegen, Belgium. She states in her bill that her husband was recently fined \$50 in a Moline police court for intoxication. F. J. Landee is the attorney.

Extreme and repeated cruelty are set up in the action for divorce which Mrs. Lillian M. Wood has brought against her husband, Rex Wood. The marriage occurred June 23, 1910. R. R. Reynolds is counsel for Mrs. Wood.

MANY WILL ATTEND LAST NIGHT AT FAIR

Davenport night proved to be one of the most popular at the Eagles' fair this week, and the spacious rink was filled to overflowing. As the big fair draws to a close the committee in charge are more than pleased with the results. A large sum will be realized for the building fund of the new home.

It is predicted that a banner crowd will attend the fair tonight, which has been set aside for Rock Island people. Practically all of the contests close, and this fact alone is expected to draw many. Many who attend enjoy the music and dancing every evening.

Rexdale in Lecture. Robert Rexdale gave his lecture, "Alaska, the Wonderland of America," last night at the Grant school. The lecture was illustrated with fine colored slides. Mr. Rexdale gave several original recitations, pleasing a large audience.

Watch and clock repairing and jewelry repairing promptly done by expert workmen.

NEW ARRIVALS

crowd some of the Spring Suits and more room is needed. No suit will be allowed to outstay its welcome in this store You are invited to help make room this way.

\$27.50 suits for \$19.00.
\$19.50 suits for \$13.75.
Suits which were \$14.50 and \$16.50 are \$9.75.

And those which are now marked \$7.75 bore much higher price marks, but their room is needed by others.

In our enthusiasm we aim to forget first cost, and simply name prices for quick disposal; which will be first? Miss or Madam? These savings will tempt both; not all sizes, not all colors, but there are plenty; be as prompt as possible.

Dainty White Dresses.

From a well known maker of original models come these beautiful white dresses, shown exclusively for the Tri-Cities at this store.

The attention of high school graduates is directed to these. You should see these dresses and see them early.

ONE MODEL OF PLISSE CREPE, the short sleeves and round neck edged with net, ribbon sash.

A SUPERB MODEL is in bolero effect—the material is the finest batiste with all-over embroidery, Baby Irish collar.

ANOTHER MODEL that will attract much attention is of Sheer Crepe, pleated tunic effect—insertions and collar of Baby Irish.

ANOTHER ONE is of rick-rack material with elaborate insertion and flounces of lace, very showy, yet effective.

These and many other equally handsome dresses are most moderately priced, \$7.50 to \$20.00.

For Those to be Confirmed or for First Communion Dresses,

We are showing many charming dresses made of sheer white materials, daintily finished with laces and embroideries. Many models are touched with rosettes of ribbon in an effective manner.

Sizes from 6 to 14 years at these modest prices, \$3.75 to \$15.00.

PHONE EMPLOYEES FORM A NEW CLUB

Many Social Diversions Planned and Ball Team to Be Placed in Field.

START SWITCHBOARD SOON

Force Will Begin Installation in New Quarters June 1 and It Will Be Ready Nov. 1.

"The Blue Bell Club of the Rock Island District of the Bell Telephone Company" was voted the name of the social organization of telephone employees at a meeting of 60 at the last night in Pier hall, Moline. A business session with dancing and singing marked the evening.

Arrangements for a dance to be held in the Masonic hall, Moline, Wednesday evening next, and another regular meeting of the club May 5 at the new home of the telephone company in Eighteenth street, Rock Island, were made. Plans to invite the public to join the employees in a river excursion June 1 were also discussed.

The employees of the telephone company will put a baseball team in the field. Organization was begun with the election of Charles Freer, chief wire tester for the Rock Island office, captain. The games will be played, both probably with the Iowa Telephone company, Davenport branch. The games, if more are played, will be contested with teams of associating organizations of telephone employees.

For the river trips the employees expect to enter a competitive contest for the sale of tickets. The general public will be invited to join in the boat ride to be held under the telephone company's auspices. The sale of tickets is not to be classed as a financial proposition, as the employees will go on the excursion regardless of the response of the citizens.

A. J. Beverlin, general manager of the Rock Island branch, presided at the meeting.

Work on New Switchboard.

Mr. Beverlin says work on the new switch board will begin June 1 on a rush order. C. H. Rutger, general manager of the Bell lines for the state of Illinois, has been in Rock Island to inspect the local plant. He expressed

satisfaction with its management. The operating and mechanical departments of the system will be moved into the new building in Eighteenth street about Nov. 1, when it is hoped to cut over all lines. The plans at the company's new home site are to be worked under direction of a landscape gardener to conform to the upkeep of property in the immediate vicinity.

Schmidt Accuses Another. New York, April 25.—District Attorney Whitman today received a letter from Hans Schmidt, the former priest awaiting execution for the murder of Anna Ammiller, in which Schmidt charges another man with the crime. He declares that the Ammiller girl died as the result of a criminal operation performed by a man whom he named. He admitted that he had himself disposed of the body.

Solitary Fly In April May Cause An Epidemic

SWAT the fly now!

The torpid, lazy moving insects are beginning to emerge from their winter quarters. They are to be the progenitors of trillions of epidemic makers. The menace which annually faces mankind through the activity of these distributors of germs and disease may be reduced, but only through the striking of a telling blow at the insects before they have had a chance to develop.

The wonderful reproductive capacity of this breeder of pestilence is the reason advanced why householders should begin an immediate fly swatting campaign. A solitary fly in April may seem a harmless thing, but if left undisturbed it may cause an entire community to be gripped by pestilence.

Health experts are beginning to realize that if flies are to be destroyed they must be attacked when they are least able to combat their natural enemies, and this is in the early spring, when food is scarce.

The close relation of cleanup campaigns to the fly exterminating propaganda has begun to be appreciated, and for this reason many municipalities already have commenced or are preparing for sanitary crusades. It has been demonstrated that the more filth that is removed from a city the greater difficulty is placed in the way of the development of the insect disease spread.

L. S. McCabe & Co.

ROCK ISLAND, ILL. THIRD AVENUE THROUGH TO SECOND

All ready to go for a promenade with your New Spring Suit.

VISIT TO ARSENAL WILL END TRIPS

Rock Island Business Men Will See How War Equipment Is Made.

As the Mexican crisis on military affairs is especially interesting members of the Rock Island Business Men's association propose to visit Rock Island arsenal next Tuesday afternoon. Colonel George W. Burr, commandant at the arsenal, has indicated his willingness to take the men through the shops beginning at 2:30 o'clock. The trip will probably terminate the weekly visits of the merchants to the various Rock Island industries.

The business men will see 1800 men at work Tuesday, Colonel Burr said today. The shops for wood working, metal equipment, blacksmithing, field artillery and cloth working and the foundry will be visited, together with the heat treating department and employees' lunch room.

Announces Annual Conference. W. H. Benkert, national chairman of the United Christian party, is sending out notices calling attention to the annual conference of the party May 1

in Davenport. "All interested in laws and government measured by the decalogue and golden rule," he says, "are welcome at the Christian party conference."

THOSE FORMERLY IN ARMY ELIGIBLE

Reserve Act of 1912 Places Large Force at Call of the President.

New York, April 25.—Army recruiting stations here have called the attention of former soldiers to the army reserves act of 1912, under which they are eligible for active service if called upon by the president. The act provides that men honorably discharged with a rating of "good" can enlist in reserves if not over 45 and physically capable. There is a great army of these former soldiers, who can join the regulars and serve while needed, and not for a stated term. They cannot reenlist with the rank they held when discharged, but as privates. Married men are not barred.

Indiana in Victory. Evanston, Ill., April 25.—The University of Indiana baseball team defeated the Northwestern university nine at Evanston yesterday, 2 to 0.

Just in---the Van Raalte Chiffon Auto Veils in white and colors, 98c to \$2.50 each.

HARRY BRONDELL TRI-CITY CHAMP

Harry Brondell of Davenport won the wrestling match at the Illinois theatre last evening in two straight falls from Bobby Bylund of Moline. Brondell took the first fall after 43 minutes and 34 seconds of hard grappling, forcing the Moline lad to the mat with a hammerlock. Bylund's right arm and shoulder were severely twisted in the fall, and he returned to the mat with a look of pain on his face. After 52 seconds of grappling he was unable to continue and forfeited the second fall. The bout was fairly fast. In the preliminary bout Bill Hurley of Albany made short work of Carl Rieche of Northwest Davenport, taking both falls in less than 12 minutes. The Albany grappler secured the first fall in 9 minutes and 36 seconds with a toe hold, and the second fall in 9 minutes and 34 seconds, head and arm lock and body scissors. This bout was very fast.

By virtue of his victory Brondell is entitled to undisputed championship of the three cities. The bouts were staged by the Illinois Athletic club, and about 500 fans attended.
